WARNING

This product is not a toy or edible. Mobile
device casings can interfere with signal
strength and decrease Chipolo's visibility.
Large metal parts near your mobile devices
and your Chipolo can interfere with the
Bluetooth signal.

Caution! Lithium battery inside. Risk of explosion in case of incorrect use. Please do not expose the product to a direct heat source. Please do not expose the product to any mechanical stress or impact.

Chipolo Plus & Card:

Do not attempt to open or disassemble your Chipolo. You run the risk of electric shock and voiding your warranty. There are no user serviceable parts inside. Tips for the most efficient usage can be found at www.chipolo.net/faqs

Chipolo Classic:

This product is not water resistant. Do not attempt to disassemble your Chipolo. You run the risk of electric shock and voiding your warranty. Tips for the most efficient usage can be found at www.chipolo.net/faqs

WARRANTY

1-year warranty applies.

DECLARATION OF CONFORMITY

This product is compliant with CE and FCC directives. This device complies with Part 15 of the FCC Rules and with Industry Canada licence-exempt RSS standard(s).

Operation is subject to the following two conditions: 1. this device may not

cause harmful interference, and 2. this device must accept any interference received, including interference that may cause undesired operation. The relevant Declaration of Conformity is available at www.chipolo.net/regulatory. Any changes or modifications not expressly approved by the party responsible for compliance, may void the authorization to operate this equipment. This device complies with the RF exposure SAR test exclusion requirements for portable devices, if a minimum separation distance of 5 mm is kept. However, the device shall be used in such a manner that the potential for human contact during normal operation is minimized.

WEEE DIRECTIVE & PRODUCT DISPOSAL

At the end of its service life, this product should not be treated as household or general waste. It should be handed over to the applicable collection point for recycling of electrical and electronic equipment, or returned to the supplier for disposal.
